

ABOUT

The Fly Boyz are a new and exciting trio of melodic drill rappers / singers, straight out of Birmingham. Members: FUNDO, YUNG J, and MG, teenagers that share the same passion and love for music as each other.

They began finding their voices individually at just 11 & 12 years old and have inspirations within the music scene from artists such as Hardy Caprio, Jhus, Dave, Tamz, 50 Cent, Lil Durk, Fredo & D-Block Europe.

Having started at such a young age, the boys are set to become the voice of the next generation in the UK. Fly Boyz aren't your average drill rappers, they showcase huge versatility in their style and skills across singing and rapping. Fundo is Congolese and speaks fluent French, MG is of Zimbabwean heritage and speaks Zulu whilst Yung J is Angolan and often uses Portuguese in his lyrics.

With two releases under their belt already, 'Whip Excursion' released in August 2021 and 'Lads On Tour' their second release which already has over 80,000 streams on Spotify alone.

Most recently the boys were featured on series 7 of the Mixtape Madness freestyle series NEXT UP representing Birmingham proudly.

Working on their first EP, the boys are ready to take the UK music scene by storm. Stay Tuned & Stay Streaming!

EP OUT SOON.
